

## REMARKS

The Notice of Non-Compliant Amendment dated June 25, 2007 indicated that the Preliminary Amendment dated February 7, 2007 did not recite a status identifier for each and every claim.

The above listing of claims corrects that, in that status identifiers are included for claims 9-10 and 20 in the above listing. To avoid confusion as to whether the status identifier for claims 9-10 should recite "Currently Amended" or "Previously Presented" in this listing, the above listing of claims is exactly as presented in that Preliminary Amendment including strikethroughs and underlining, with the exception that status identifiers are added for claims 9-10 and 20 and the status identifier for canceled claim 8 is enclosed in parentheses.

Substantive response to the Office Action dated May 1, 2007 will be submitted under separate cover.

Respectfully submitted:
